I am interested in the following instruction option for my class:

- Library instruction followed by a librarian being embedded in Blackboard
- Library instruction only
- Librarian embedded in Blackboard only
- Librarian visits my class for a 10-15 minute introduction
- I am not interested in library instruction because:
  - I can’t fit it into my class schedule
  - I do not have a library research assignment in my course
  - My students already know how to do library research
  - My students are not interested in a library instruction session
