## Worlds Apart? Bridging the Distance for International Students on Campus

- Lots of good ideas for outreach to international students.
- Lots of good ideas.
- Good info.
- Interesting information. Presenters seemed knowledgeable.
- Great presenters, great ideas for bridging the gap to communicate with new international students.
- Interesting description of efforts at MU to connect with a specific group of exchange students. Several ideas that might apply to larger groups of multinational international students.
- Lot of good ideas.
- Lots of good tips.
- My institution has a large international community of students, so I benefited from this.
- Gave interesting and useful tips for helping international students & how to reach out to them.
